Mr. Helms was in the chair as Acting DCI.

DD/I reported on a draft paper from DOD/ISA concerning the possibility of providing intelligence information as a means of building an enduring U. S. relationship. The paper includes some operational proposals in addition. The ISA paper is being sent forward to the Acting DCI. In DD/I's view, the ISA paper is not likely to survive DOD and/or State Department staffing.	25X1
briefed on the Vietnam military situation including the stand-down on all U. S. air operations, save for drones, over NVN. He noted a shootdown of a drone over NVN airspace on 24 December. There was some question as to the firmness of the evidence in this shootdown, and the Acting DCI asked to ensure that are used as a double-check of this incident.	25X1
Phuc Yen airbase near Hanoi. DD/I noted that Senator Symington had said that MACV was very much concerned about the presence of MIG-21's in NVN and regarded them as superior to U. S. tactical aircraft. It was suggested that the MIG-21 performance characteristics be compared with those of the F-104 and F-105. Driefed on the Dominican Republic situation. A-DD/S reported receipt of a letter from Assistant Secretary	25X1
Crockett expressing pleasure with the state of Department	25X1
